# Friends of Bampton Heritage & Visitor Centre

Help support your  
us by becoming  
a Friend.

**We are a small independent charity (no. 1156194) founded in 2013 with the aim of sharing Bampton's rich heritage with the local community and visitors.**

**We are friendly and welcoming to everyone.**

**We are passionate about our collection and ambitious in our work.**

**We work with our community to make a positive impact on local lives and the local economy.**

We have a growing collection of objects, papers, photos and recorded memories which tell the story of Bampton and the local area over the past centuries. We do not charge for admission to our Centre and rely on sales and donations to maintain and conserve this collection. Our main Centre is in St. Michael and All Angels church in Bampton. We frequently take our collection and related activities out and about in the community to reach as many people as possible.

By becoming a Friend you will be providing vital support to Bampton Heritage & Visitor Centre which will enable the purchase of new acquisitions, conservation of our collection, support for the museum's exhibitions and educational and outreach activities and more. Funds raised in this way are frequently used to unlock further income from grant givers.

Joining the Friends will give you great opportunities to learn about the collections and meet other Friends and Volunteers.
